Marshall announces candidacy for C.C. Circuit Clerk

Amy Marshall announces her candidacy for Circuit Clerk of Coffee County. She will appear as a Republican Candidate in the March 5th Primary Election.

Marshall has played an active role in the court system for over 20 years. She began working in the legal field while attending college.

"After becoming an attorney in 2010, I worked for the Department of Defense in the Army Judge Advocate General's office, where I received two civilian medals of achievement," she said.

Hailing from the Wiregrass, Marshall later opened a law office in Enterprise,

Alabama, where she runs a successful legal practice. Strongly believing in community service, she has dedicated herself to Coffee County.

Marshall previously served as Coffee County Bar President and Enterprise City Prosecutor.

She also was selected by the Alabama Secretary of State to be a member of the Fair Ballot Commission. Most recently, Marshall has been selected to serve on the Board of Directors for the Enterprise Chamber of Commerce.

"I have been active in the

Republican Party for over 20 years," she said. "While at the University of Alabama, I was chosen as the UA College Republicans delegate to Miss Alabama."

Beginning in law school, and continuing after graduation, Marshall assisted conservatives in organizing political rallies. Later, she was selected as State Committeewoman for Coffee County Young Republicans.

As a member of the Fair Ballot Commission, Marshall was instrumental in authoring plain-language readings of proposed amendments to the Alabama Constitution, such as the now passed Sanctity of Unborn Life amendment.

Woodham seeking C.C. District 3 school board seat

Brandy Woodham announces she is seeking election in the Tuesday, March 5, Republican Primary Election for Coffee County School Board, District 3 member.

Woodham holds a Bachelor of Science degree from Troy University, and she retired in 2019 from Army Aviation Center Federal Credit Union with more than 25 years of service.

"I worked my way up from a floating teller when I started to manager of loan operations when I retired," Woodham said.

While with, what is now called All In Credit Union, Woodham said she spent nearly 15 years helping to further develop the contact center.

"My team of 30 to 40 lenders, supervisors, and

member service representatives helped to meet the financial needs

and provided support for members throughout the United States and across the world," she said. "I was recognized numerous times as a supervisor and lending leader with the credit union."

Woodham said that business experience lent her a unique career of working with and problem solving for some of the most diverse groups of people through the Armed Forces.

"At the end of 2022 my son's high school hired a new football coach, and

once he arrived, I reached out to him, expressed my concerns - primarily as a mom - and the ideas I had to help," Woodham said. "He was gracious and encouraged me. With his strong support and the hard work of a dedicated team of 'senior moms' we

were able to make a difference in the lives of some athletes and coaches. When you see a 6'3", 260-lb. high school senior break the team banner week after week running to the sidelines and steadily looking to find his momma's face in the crowd, you know being present for your child and their activities is

Teacher of the Year recipients honored at Coffee County BOE meeting

by Linda Hodge, Editor

During the Coffee County Board of Education meeting held Thursday evening, Feb. 1, two teachers were recognized as "Teacher of the Year" recipients for the system.

Superintendent Kelly Cobb introduced New Brockton Elementary School kindergarten teacher Macy McIntosh as the 2023-2024 Elementary Teacher of the Year for the Coffee County School System.

She also introduced New Brockton Middle School teacher Ashley Meadows as the 2023-2024 Secondary Teacher of the Year for Coffee County Schools.

School leaders say McIntosh is passionate about education as well as the success of her students. She is LETRS [Language Essentials for Teachers of Reading and Spelling] trained and has participated in extensive Orton-Gillingham training.

Meadows teaches English language arts at New Brockton Middle School, and her administrators say she could be described as an "out of the box" educator.

Superintendent Cobb said Meadows challenges her students to think critically, and

Cuzin Lou Lou's
Tales from Yonder

Editor's Note: Cuzin Lou Lou's tales are to be enjoyed as a light-hearted form of Southern expression

Cuzin Lou Lou had another birthday role around last week!

Early on the day of her birthday, Papa was wishing Lou Lou a happy one, and he guessed one year short of the actual number. He was funny to watch when Lou Lou told him he was off by a year...he stood there and out loud counted the years to be certain.

Once he did the math, and agreed that Lou Lou was correct, she reminded him that her new age meant one thing.

"What's that?" Papa asked.

"That you, sir, are getting old!" she jokingly said to Papa.

Even though it was a "work" day, Lou Lou celebrated a great day of birth...even 'ole Sister was super nice to her that day!

Now, Lou Lou isn't certain if Sister was just being nice when she made some of Lou Lou's favorite desserts for the special day, or if she is just trying to ensure that she stays ahead of Lou Lou in their quest to drop some pounds and get healthier. Lou Lou has to wonder if it was the latter of the two

because Sister didn't just make Lou Lou one dessert for her birthday, she made two of her most favorite things – a chocolate pound cake and chocolatey boiled oatmeal cookies!

Lou Lou can resist a lot of different sweet items, but those two things are her weakness. Also, when Sister makes them for Lou Lou, she feels like she is in food heaven!!

So, as one can imagine... several trips were made to the cake plate and fridge to grab either a slice of cake or a couple cookies for days after Lou Lou's birthday.

One thing Lou Lou has managed to do in the week since her birthday is avoid, at all costs, the scales! She thinks she will continue that avoidance at least for a bit longer too!

If any of Lou Lou's Yonder friends see her out walking in the near future... well, now you know why! Chocolate pound cake and boiled cookies are totally to blame!!

Well played, Sister! Well played.

Until next time...God Bless and Keep Smiling!

important and it matters.” It was in this recognition that Woodham said the first spark of interest in running for the school board seat hit her.

“I want to encourage parental and community involvement through traditional and even nontraditional ways...ways that work to better assist each part of our school system,” she said. “I have ideas, and I believe Coffee County could develop programs that others across our state could follow and would prove beneficial.”

Woodham said she would like to see an undertaking of discovering, researching, and implementing programs to promote encouragement and support that empower teachers, staff, and administrators. Additionally, Woodham said she would like to see a JROTC program in the school system.

“Currently, we offer dual enrollment classes for college bound students helping to give them an advantage. We offer career tech classes, which I would like to expound upon, for students who want to build a skill and

maybe enter the work force after high school graduation as an advantage for them,” she said. “But, students who are military focused really don’t have a way, through the school system, to build an advantage. Scholarships that would be available through this program are not provided, thus leaving these students at a disadvantage. Through Ft. Novosel and its ties to Coffee County, I feel confident we could acquire the assistance needed.”

“Serving others in our community is not only a privilege but a responsibility,” she said.

Woodham has been an active member of Ino Baptist Church for 24 years where she currently teaches 2-year-olds, works in the nursery, and serves in the yearly Vacation Bible School program.

“I have also served on the finance committee, worked with our youth, taught Acteens and served on a foreign mission team to Venezuela with my church,” she said. “I am currently serving as immediate past president of the Luncheon Pilot Club of Enterprise

where our primary focus is to raise awareness and financial support for projects to help those affected by brain related disorders, both children and adults, and I serve on the Parent Action Committee at NBHS and the Districts Parents Advisory Council.”

She currently works with SanBuck Incorporated in Enterprise with commercial insurance, and she holds licensing by the State of Alabama in both real estate [18 years] and insurance [5 years].

Brandy is married to Arnold Woodham, and they make their home in New Brockton. Arnold is a retired firefighter and currently serves as operations manager for Enterprise Rescue. He also is Coffee County’s Coroner.

The couple has two sons, and they are the proud grandparents of son Trent’s daughter, Lila.

“I humbly ask the voters of the Coffee County School Board’s District 3 to consider voting for me in the March 5th Republican Primary Election,” Woodham said.

Our Family Serving Your Family Since 1934

How Do I Select a Funeral Home?

One of the first decisions a family makes upon a loved one's passing is which funeral home to use. Depending on where you live or where the funeral will take place – you may have many options. Not all funeral homes offer the same services or prices, so it's a good idea to compare and find what works best for your needs.

When choosing a funeral home, consider where the funeral will be and pick something local. Consider any religious affiliations and whether the funeral home works with specific cemeteries or has their own. If your loved one is being cremated, does the funeral home offer a crematory, or do they outsource this service?

Ask for a general price list so that you can compare your options. Funeral homes are required to provide pricing. If the cost of caskets or urns is not included on the general price list, ask to see these prices as well. Some funeral homes offer package deals but should still tell you the à la carte prices of each service. Funerals can range greatly in cost depending on what you want included, so have a budget in mind.

Check into available services. Are they able to accommodate all of your wishes? Do they offer certain religious elements that are important to you? Talk through what you are looking for and see how things measure up. Don't feel pressured into making decisions.

Consider the customer service you're provided when comparing funeral homes. Which one made you feel the most comfortable? Who seemed most responsive to your wishes and concerns? What services fit best with your religious preferences and budget? When selecting a funeral home, do your research, ask questions, and pick the one that fits best with your family's needs.

The owner reserves the right to reject any or all bids and to waive any informalities. The bid is for lawn care maintenance for the following listed properties belonging to the City of Elba Lot #35 OF SMITH BRASWELL SUBD located at 1208 Highland Dr. Lots #22-27 of SMITH BRASWELL WEST SUBD located at 980 Drayton Ave.; 978 Drayton Ave.; 918 Drayton Ave. (on two lots); and two undeveloped lots.

Regular mowing and maintenance is required to be completed twice for the months of April through September, and once per month for the month of March and October through February.

The areas to be maintained include all areas within the lots described above. Mowing also includes needed weed-eating and edging as well as flower bed maintenance. Shrubs are to be pruned, beds weeded, and pine straw added once each year.

All trash, and debris, should be picked up and disposed of before and after each mowing.

The contractor will furnish all labor and equipment for the performance of this contract. All work is to be performed in a professional manner, using clean, and well-maintained equipment. Mowing must be done during daylight hours.

No mowing or weed eating should be done when people are present to protect them from flying rocks or debris. Any use of weed killer or other chemicals must be approved by the city street supervisor.

The contractor will be paid monthly at Elba City Hall for work completed and inspected. The name of the one responsible for inspection will be provided to the contractor.

The contractor will always have to maintain and provide proof of General Liability Insurance with a minimum of \$500,000 coverage, and a City of Elba Business License. The contractor is required to comply with all local, state, and federal employment rules and regulations.

The contractor shall be responsible for all property damage, accidents, injury, and any other liabilities incurred while performing the lawn care and maintenance. The City of Elba reserves the right to terminate this contract in the event it determines that the contractor has failed to satisfactorily perform the duties listed in the contract.

A 30-day written notice of cancellation will be given to the contractor. Furthermore, the contractor is required to give in writing a 30-day notice if termination of services is desired or if said party becomes unable to fulfill this contract.

All interested parties should submit a sealed bid containing all appropriate contact information, commercial lawncare experience details, at least three references, and the annual bid amount they are submitting. This bid will be for a two-year contract. The contractor will be notified once selected after all bids are reviewed and due diligence by the city council has been completed. The selected contractor will then be required to submit all necessary documents and proof of insurance, as well as sign a copy of the lawn care maintenance to keep on file.

Due to the uncertainty of the mowing needs, we ask that bids be submitted on a "cost per cutting" basis. This will enable the council to budget if additional mowing frequency is required during the summer months. Currently eighteen cuttings have been budgeted for the year. Your interest in this bidding process is greatly appreciated.

STATE OF ALABAMA PROCLAMATION BY THE GOVERNOR

WHEREAS the Alabama Legislature at its 2023 Second Special Session enacted Act No. 2023-562 (SB3), proposing an amendment to the Constitution of Alabama of 2022; WHEREAS, in conformity with Section 284 of the Constitution of Alabama of 2022, as amended, the Legislature has ordered an election by the qualified electors of the state upon such proposed amendment; and WHEREAS notice of this

election, together with the proposed amendment, is required by law to be given by proclamation of the Governor, which shall be published once a week for at least four successive weeks immediately preceding the day appointed for the election;

NOW, THEREFORE, I, Kay Ivey, as Governor of the State of Alabama, do hereby give notice, direct, and proclaim that on Tuesday, March 5, 2024, an election will be held in the State of Alabama in the manner and form provided by law upon the following proposed amendment to the Constitution of 2022 of the State of Alabama:

AMENDMENT PROPOSED BY ACT NO. 2023-562

"Section 71.01

(A) The following words and phrases, whenever used in this amendment, shall have the following respective meanings:

"Basic Appropriations" means, with respect to any regular session of the legislature, such appropriations as the legislature may deem appropriate for the expenditures by the state during the ensuing budget period for the ordinary expenses of the executive, legislative and judicial departments-branches of the state, for payment of the public debt, and for education (excluding, however, any item within the scope of the foregoing that is at the time provided for by a continuing appropriation or otherwise).

"Budget Period" means a fiscal year of the state or such period other than [a] fiscal year as may hereafter be fixed by law as the period with respect to which state budgets are prepared and state appropriations are made.

(B) On or before the second legislative day of each regular session of the legislature, beginning with the first regular session after January 1, 1983, the governor shall transmit to the legislature for its consideration a proposed budget for the then next ensuing budget period.

(C) The duty of the legislature at any regular session to make the basic appropriations for any budget period that will commence before the first day of any succeeding regular session shall be paramount; and, accordingly, beginning with the first regular session held after January 1, 1983, no bill (other than a bill making any of the basic appropriations) shall be signed by either the presiding officer of the house or senate and transmitted to the other house until bills making the basic appropriations for the then ensuing budget period shall have been signed by the presiding officer of each house of the legislature in accordance with Section 66 of this Constitution and presented to the governor in accordance with Section 125 of this Constitution; provided, that this paragraph (C) shall not affect the passage of local laws or local constitutional amendments, the adoption of resolutions, or the conduct of any other legislative functions that do not require a third reading; and provided further, that following adoption, by vote of either house of not less than three-fifths of a quorum present, of a resolution declaring that the provisions of this paragraph (C) shall not be applicable in that house to a particular bill, which shall be specified in said resolution by number and title, the bill so specified may proceed to final passage therein.

(D) Upon the signing and presentation to the governor in accordance with the said Sections 66 and 125 of bills making the basic appropriations, the provisions of the foregoing paragraph (C) prohibiting the final passage of bills in the house and senate (other than bills making any part of the basic appropriations) shall cease to be effective and shall not be revived or become again effective as a result of (i) the subsequent legislative history of any bill so signed and presented, including any veto, return with executive amendment, or any other action, or failure to act, by either the governor or the legislature under the provisions of the said Section 125; or (ii) a determination, by either judicial decree or opinion of the justices of the Alabama Supreme Court, that any bill so signed and presented is wholly or in part invalid.

(E) The legislature may, by statute or rule, make such further provisions for the timely passage of bills making the basic appropriations as are not inconsistent with the provisions of this Constitution.

(F) Nothing contained herein shall be construed as requiring the legislature to make any appropriation not otherwise required by this Constitution to be made.

(G) Notwithstanding any provision of this amendment, any resolution authorizing the consideration of a bill proposing a local law adopted before November 8, 2016 March 5, 2024, that conformed to the rules of either body of the Legislature at the time it was adopted, is ratified, approved, validated, and confirmed, and the application of any such resolution is effective from the date of original adoption."

FURTHER, I proclaim and direct that this proclamation shall be published once a week for the four successive weeks immediately preceding Tuesday, March 5, 2024, in every county as required by law.

The Pressbox

By Ricky Mularz, Sports Editor

Our youngest daughter Melanie celebrated another birthday over the weekend and while there was no doubt the best present was sitting on her lap as we gathered for a birthday meal, it was a special time for all the family and proved once again how blessed we are. It was her birthday and we were there to help her celebrate, but for a seventy-year old man to have his wife, two daughters and two grandsons all together for the celebration was my present.

For what it is worth....

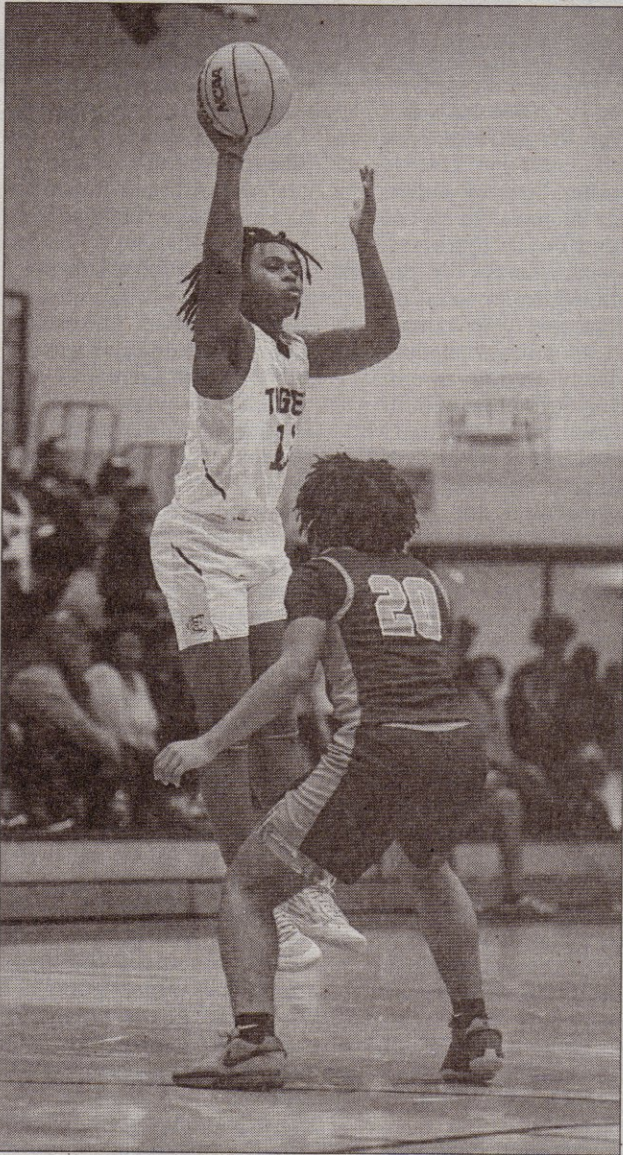

*** The Elba Tigers captured a share of the area title and upped their win total to 15 games last week with a pair of heart-stopping wins at home as the Tigers battled for all 32 minutes in a big area win over Brantley and then needed all 32-minutes and then some to defeat Zion Chapel, in overtime. While both of the wins would be called ‘upsets’ by most sportswriters, any time Elba is at home in front of its fans anything is possible, and it showed again last week. It was evident on senior night that the team will have to be rebuilt next season. However, for now the Tigers are on a roll and are co-champs in one of the toughest 1A areas in the state.

*** The Elba Lady Tigers ran their winning streak to 14 games and reached the 23-win plateau on the season last week with a pair of wins over two of their biggest rivals. The Lady Tigers had to fight back in the second half to win against Brantley, but made it look easy with a lopsided win over Zion Chapel. Elba has all the tools to make a run at a state title, but has to play its best to win, no matter the competition, and as it continues to pile up the wins and re-write the history book, has to stay focused every time it takes the court to keep its goals alive.

*** The regular season ended last week in high school basketball and it was indeed a fun season for all the area fans. In boys’ play, Zion Chapel won 20 games and finished the season ranked 6th in the state in the 2A ranks, while New Brockton won its area and put the Gamecocks back on the map, Brantley remained a team to keep an eye on night in and night out and won a share of its area title, and Kinston won its final game of the regular season and then won its opener in the area tournament to advance to round two. As for the girls, New Brockton won its area crown and had one of its best seasons, ever, while Kinston reached the 20-win plateau and raised the bar for girls’ basketball at the school, Brantley overcame a slow start to have a winning season and Zion Chapel saved its best for last and almost pulled off an upset win on the road in the area tourney. Our area has a rich history of winning on the basketball court and this season was no different as all the teams showed out and won the praise of their fans.

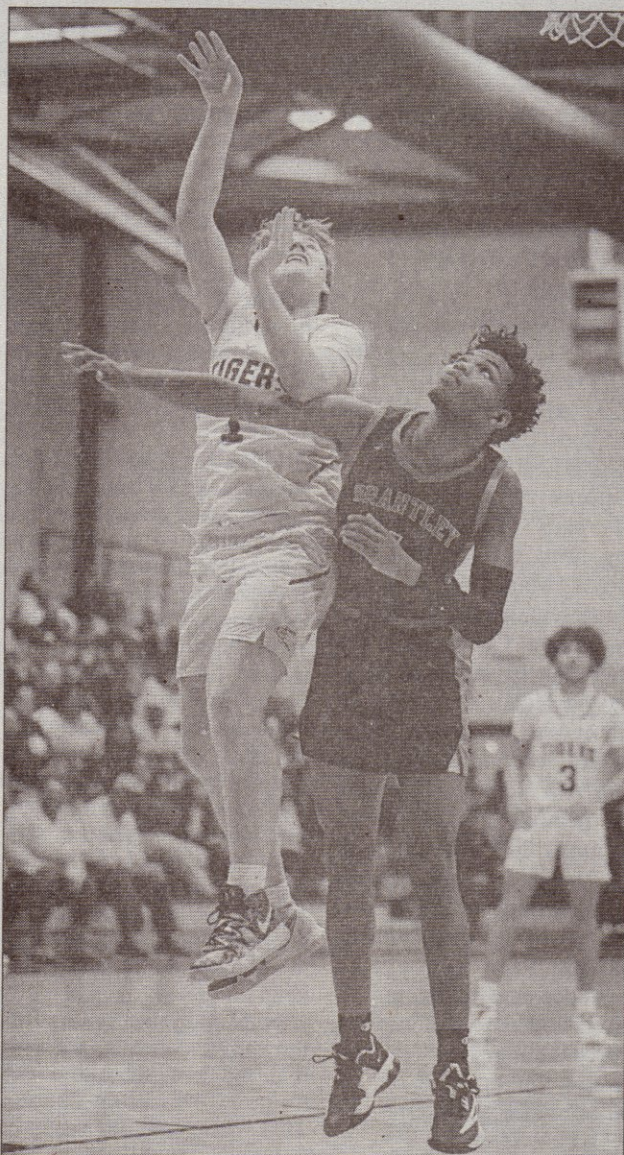

*** The beginning of the high school baseball and softball seasons are just around the corner at all area schools and just as it has been in basketball, it looks like an exciting season ahead on the ball diamond. In baseball, Elba has been working hard and looks to claim the area title with a combination of solid pitching and team speed, while New Brockton has been getting better and better for years and may just be ready to do something big, Brantley is a perennial power in the sport and always believes it can win a state title, Kinston has made the playoffs two straight years and is looking for even more, and Zion Chapel is determined to bounce back after a rare down year and leave its mark in the 2A ranks. Over on the softball field, Elba will be way behind when the season starts with at least five potential starters still playing basketball, but the Lady Tigers have begun to make the regional tournament a regular part of the season and this year will be looking to take the next step. As for the other teams in the area, Zion Chapel appears loaded and ready to make some noise in the 2A ranks, while New Brockton has rebuilt and is ready to bounce back with a vengeance, Kinston is also loaded and determined to make a trip to the state tournament, and Brantley is working hard and looking to add another state championship trophy to its already crowded trophy case. It looks like a wild time ahead in both sports!

*** In closing.... I know I wrote about this last season, but I am not going to give up to have the basketball court at Elba High renamed ‘Coach Karl Bledsoe Court,’ in honor of former coach Karl Bledsoe who led the Tigers to three straight appearances at the state tournament, led the Tigers to their only state basketball championship, and led the team to a runner-up finish in the third trip to Birmingham. I know Elba has had many successful basketball coaches and has a rich history on the court, but Coach Bledsoe did something that had never been done before and will probably never be done again, and deserves the honor. I think back to the night Coach Mack Wood had the field at Tiger Stadium named ‘Mack Wood Field’ and how our winningest coach ever had tears in his eyes when greeting his former players and friends at a pregame social, and how proud Supt. Danny Weeks was, and told me after Coach Wood passed away a few years later how happy he was that Coach Wood was alive to receive the honor. Okay, folks, now is the time for the next great coach at Elba High to be honored!

Elba trailed 17-7 after one quarter and went in at the half on the short end of a 22-13 score. However, the Tigers pulled within 28-22 by the end of the third quarter and then used a 12-3 fourth quarter rally to pull off the wild 34-31 win.

Elba 41 Zion Chapel 40

The Elba Tigers rallied from a 12-point halftime deficit to post an exciting 41-40 win over the Zion Chapel Rebels. The Tigers trailed 24-12 at intermission, but pulled within 30-23 by the end of the third quarter and then closed with a rally to claim the wild home court win.

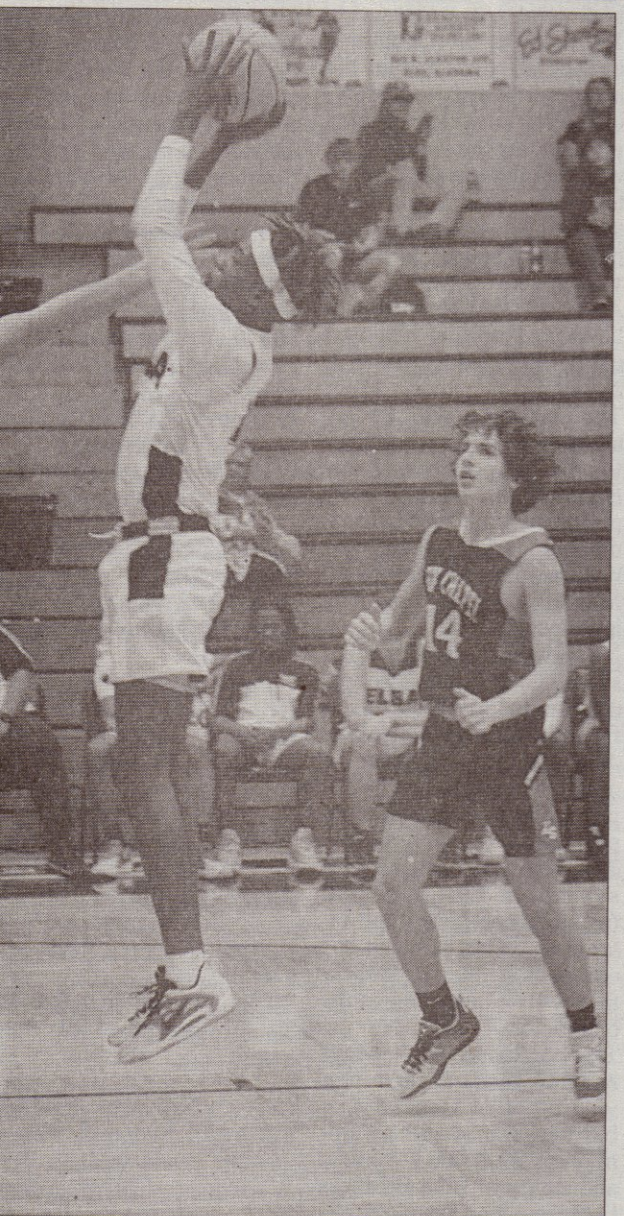

Javante Griggs scored 26 points, including 17 in the second half, to lead Elba, while also scoring for the Tigers were Cassidy Carpenter 6, Easton McKelvy 3, Skylar Mitchell 3 and Levi Martin 3. Scoring for the Rebels were Alex Moseley 13, John Foster Hamm 10, Brody Sheets 8, Brayden Benbow 6 and Kavan Brown 3.

Elba 79 Zion Chapel 73

The Elba Tigers staged a furious second half rally and finally took charge in overtime to post a wild 79-73 overtime win over the sixth-ranked Zion Chapel Rebels.

Elba got off to a slow start in the cross-county clash and trailed 17-11 after one quarter, and despite the scoring punch of Alvin Henderson and Jamal Siler went in at intermission trailing 35-27. Henderson scored 10 points in the third quarter and Jacob Watkins added six as the Tigers grabbed a 48-47 lead, and Henderson added 11 points in the fourth quarter and Ty Sieving added five to keep Elba in front, only to see Zion Chapel's Slade Grantham hit a three-pointer at the buzzer to send the game into overtime tied at 67-67. Henderson continued to score on drives to the basket in the extra period, and Watkins hit 4 of 4 free-throw attempts as the Tigers finally took charge and claimed the 79-73 win.

Alvin Henderson scored 37 points to lead Elba, while also scoring for the Tigers were Jacob Watkins 12, Ty Sieving 11, Jamal Siler 9, Cameron Gray 7 and Cody Gray 3. Slade Grantham scored 32 points and hit five three-pointers and 9 of 13 free-throws to lead the Rebels, while Jacob Chestnut added 19 points and connected on two three-pointers and hit 6 of 6 from the foul line. Also scoring for Zion Chapel were Mason Stuart 10, Joseph LeGear 8, Hayden Speckert 2 and Landon Sawyer 2.

Alvin Henderson speaks at last week's ASWA Mr. Football Banquet, in Montgomery.

Henderson repeats as 1A 'Back of the Year'

The Alabama Sports Writers Association held its annual high school football awards banquet last week in Montgomery and for the second straight year named Elba Tiger junior running back Alvin Henderson the 'Class 1A Back of the Year.'

Henderson won the award after a record-setting 2023 football season in which the 5-10, 190-pound speedster, set state records for most yards rushing and rushing touchdowns in a season.

"I am happy to win the award in back-to-back years," stated Henderson in a published interview, "and hopefully I will have another good year and be the first player to three-peat."

Henderson, ranked as the eighth ranked junior in the state, also finished fourth in the voting for 'Mr. Football' in the state, behind senior standouts Ryan Williams, of Saraland; Jaylen Mbakwe, of Clay-Chalkville; and, Cam Coleman, of Central-Phenix City. He was also named to the 2023 'Super All-State' team, which consisted of the state's top twelve players.

During the 2023 season, Henderson set state AHSA records with 3,523 yards rushing, 61 rushing touchdowns, 67 touchdowns scored and 408 points scored. He tied the record for touchdowns accounted for with 68, averaged 251.6 yards per game and 15.7 yards per carry.

The leading scorer on the Elba Tiger basketball team, Henderson also reported, 'After basketball season ends I will start off-season workouts and put in more training and more hours of work to hopefully help us get a state championship.'

"The band has never participated in the actual Rose Bowl festivities, but we've been to the Rose Bowl stadium for BCS games so this was the first time we were a part of the parade and everything," Dr. Ozzello said.

Toussaint L'Ouverture (1749-1803)

Toussaint L'Ouverture was born in 1749. He was a revolutionary, general, and diplomat. Toussaint, also known as Pierre Francois Dominique, was one of the most important leaders of the slave revolt of St. Domingue, which was later named Haiti. The insurrection later led to the independence of Haiti. Toussaint's father, Gaou-Guinou, was the son of an African King. Toussaint labored as a slave on a sugar plantation and learned French, Latin, geometry, and the Roman Catholic religion. The Spanish brought slaves to St. Domingue in 1512. The French came in 1630 and controlled the western side of St. Domingue. Through the use of free slave labor, their territory became the richest colonial possession. They sent abundant supplies of sugar, indigo, and cotton back to France. By the end of the 17th Century, blacks outnumbered their masters by such a large margin that it created a very uneasy balance on the island. Plans for revolt began. Toussaint was invited to plan the revolt because of his reputation for wisdom and his level of education. On August 9, 1789, thousands of slaves swept through, village after village, burning property and killing French people. More than 6,000 coffee plantations and 200 sugar refineries were destroyed. When the slave revolt leader was killed by the French, Toussaint became the leader. He joined the Spanish troops, who were in a war against France. After receiving weapons from the Spanish, Toussaint and his rebels overcame many forces. His victories won him the nickname "L'Ouverture," which means the opener. He became the governor general of St. Domingue and began to develop the island's natural resources and foreign trade. — Black History Profile Social Justice

Cross Over Voting Rules

Effective August 1, 2017

According to **Act #2017-340, Section 2 (a)**, if an elector votes in a primary election, he or she may vote in a subsequent primary runoff election only if he or she voted in the primary election of the same political party for which the runoff election is being held. For those persons who did not vote in a Primary Election, they may choose either party's ballot in a Primary Run-Off Election.

Explanation: If you vote in the Democratic Primary Election, you may only vote in the Democratic Run-off Election. You may not cross over and vote in the Republican Run-Off Election.
